

NON-IONIZING RADIATION INFORMATION

For general information on:

- **Power Lines;**
- **Microwaves;**
- **Microwave Towers;**
- **Electromagnetic Fields**

You can contact the **EPA Hotline at 1-800-363-2383**, or the Food and Drug Administration (FDA) Division of Physical Science at (301) 443-6536

For specific information on power lines such as:

- **Requests for measurement of the magnetic field**
- **Interpretation of measurements**

You may contact the appropriate utility telephone number for the location of the area where you are located.
